

What is Founder's Day?

The founder of Girl Scouts, Juliette Gordon Low, was born on October 31, 1860. Every year on October 31st, Girl Scouts across the country celebrate Juliette's birthday as Founder's Day. This is a special day to honor our founder and to learn more about her incredible life story. Juliette started the Girl Scouts in 1912 and this day is the perfect time to celebrate not only her fascinating history but also to reflect on what we love about Girl Scouting the most. Happy Birthday, Juliette!

How do we celebrate Founder's Day at the Farthest North Council?

Our Council celebrates Founder's Day every year on or near October 31st. We usually host a small event in our Council office where girls and their families are invited to stop by for a sweet treat, birthday fun and a free fun patch. Find out when we're celebrating Founder's Day this year by looking on our Council's Annual Calendar, found in our office or on our website at fairbanksgirlscouts.org/newsletter.

How can troops celebrate Founder's Day?

We encourage troops to celebrate Founder's Day by having a birthday party-themed troop meeting, or just learning more about our Founder. Juliette lived a full and active life and it is always fun to learn more about the amazing woman who started it all. There are countless Founder's Day activities that you can do with your troop. Write Juliette birthday cards telling her what you love about Girl Scouts, make a Juliette history craft, create Founder's Day SWAPS to trade with other troops, read the story of Juliette's life or come up with your own way to honor and celebrate this incredible woman's life.
